Our travel soccer club offers a chance for your child to reach their potential in a fun and competitive, yet affordable environment where they will make friends for life. Commitment is for both Fall 2024 and Spring 2025 seasons. Each season includes 2 practices a week (at either Sycamore Soccer Complex or Riverdale West Park) and 10 games played on Sundays (5 home games played at Sycamore Soccer Complex and 5 away games in Monmouth/Ocean counties). Practices start in mid-August for the fall season and mid-March for the spring season. Some teams have limited training/leagues in the winter but this varies by team. New U8/U9 teams may be formed based on interest rather than skill so bring your friends and try it!

***Bring a soccer ball, cleats, and water and arrive 10 minutes prior tryout time.**
